Dear Mr Schiemann

Re: AEDST '99 Event

I have recently visited your website – www.aedst.org and came across the section that refers to the Aedst '99 event that took place in Thuringia Forest, Germany.

I don't know if you are aware, but the logo you have used for this event is the famous Harley-Davidson Bar & Shield. This logo which is a registered trade mark of Harley-Davidson and is only permitted to be used by authorised dealers/licensees of Harley-Davidson and under no circumstances is anyone permitted to alter the words inside this logo.

I would be very grateful if you could phone me as soon as possible to discuss this matter further as I do not want to involve our lawyers at this stage.

I look forward to hearing from you shortly (please note that I will be on holiday until 18th March 00).

Yours sincerely,

Nikki Sheath
